Future_as_a_Service (Faas)

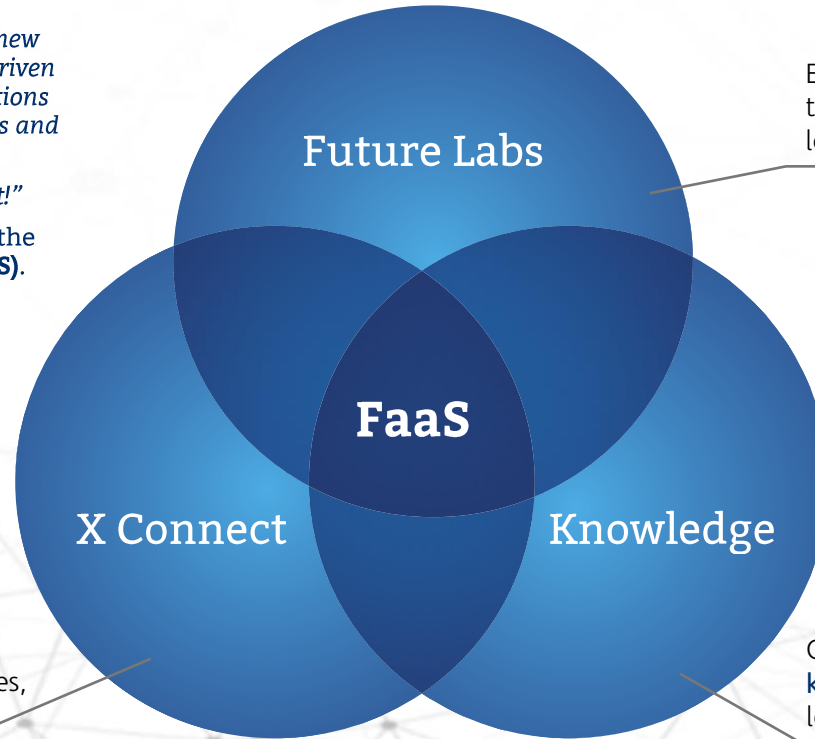

Combining and bundling what business leaders need to meet tomorrow's challenges

"Today's true leaders constantly seek new knowledge and inspiration, they are driven by the urge of identifying new connections and energized by exchanging thoughts and ideas with others.

Knowledge empowers; leaders connect!"

For that purpose we have developed the platform: **Future_as_a_Service (Faas)**.

Henrik Lauridsen
CEO & Founder – GERBUS Academy

Exclusive **peer groups**, focusing on "big themes" & meeting regularly, chaired by leading business experts & practitioners ...

Conferences and regular **cross-lab activities** to enable new perspectives, reflections & more connections ...

Cutting-edge 1-day **seminars** or **keynote events**, hosted by the world's leading management thinkers ...

Future Lab

Create your future and make an impact with our Future Labs – our exclusive peer groups chaired by leading business experts & practitioners.

- Exclusive peer groups (max. 20 persons) working on individually-relevant strategic topics.
- Scope: Making you succeed with **your agenda, your challenges, your ideas and your change scenarios.**
- Content: Related to your specific topic, we present the latest new concepts, approaches, technologies, innovations, tools, methods etc.. We include, share, test, discuss and challenge practice-oriented experience and inspiration from leading experts and guest speakers.
- Impact: We work together – peers and experts – from ideation, through development to execution. Collaborative.
- Regular sessions during the year and changing locations/formats (personal and virtual) – agreed within the peer group.
- A few examples: #Dreams&Details, #CFO_Recoded, #Womenomics, #Moonshots, #PlatformBusiness, #ImpactBusiness, #NewWork

Knowledge

Face-to-face interaction with the world's leading management thinkers, professors, thought leaders and business experts.

- Fast-paced and intense 1-day seminars or keynote events covering relevant management, leadership, innovation & business topics.
- Hosted by the world's leading management thinkers e.g. from Harvard, INSEAD, IE Business School, Stanford, London Business School und Thinkers50.
- Cutting-edge, with new insights into future trends, approaches, methods, tools, models and processes.
- Practice-oriented with inspiring case studies, interactive discussions and reflections.
- Taking place regularly during the year & partly integrated in the Future Labs.
- Examples on previous events – please go [HERE](#)
